FEMA REGION 6 RRCC REGIONAL SUPPORT PLAN (RSP)

REGIONAL ADMINISTRATOR'S PRIORITIES

1. Support life-saving and life-sustaining operations.
2. Account for the safety of all FEMA R6 staff.
3. Be proactive and anticipate impacts, resource requirements, and data requests.
4. Establish and maintain communication with the states and federal response teams for accurate situational awareness.
5. Review and be prepared to implement hurricane evacuation plans in anticipation of future Gulf Coast threats as early as H-120.
6. Continue to identify, report, and address resource shortfalls in support of Harvey and future Gulf Coast threats.

CRITICAL INFORMATION REQUIREMENTS

**Validate and notify the RA and DRA*

1. Request for federal declaration from state/tribe.
2. Report on injury, death or the arrest of any FEMA staff.
3. Any significant westward change in Hurricane Irma's forecasted track.
4. Rainfall/forecasted rainfall of 12" in 24 hours for the New Orleans (NOLA) area.
5. Any federal support requests for evacuation (general population or medical).
6. Damage to/operating status of critical infrastructure which will result in any request for federal assistance.
7. Failures of any federal/state/private sector flood control system which could result in property destruction or loss of life.
8. Direct inquiry from a member of Congress (member, not staff).

ESSENTIAL ELEMENTS of INFORMATION

- Projected path/timeline and intensity of Hurricane Irma and other Tropical disturbances potentially threatening Louisiana.
- Anticipated flood inundation from projected rainfall and storm surge and risks to vulnerable water management structures (e.g. NOLA pumps and other levees and dams).
- Major changes to state/tribal or federal capabilities that would adversely affect response/recovery operations.
- Pre-incident and incident response actions taken by state/tribal and federal governments (e.g. state declaration).

FUTURE CONSIDERATIONS and KEY LEADERSHIP DECISIONS (KLD)

1. Confirm status of R-IMAT 3; remain in place or redeploy from Louisiana SEOC to FEMA Region 6 based on Hurricane Irma's projected path.
2. Anticipate resource adjudication/reallocation impacting ongoing disaster operations in FEMA Region 6 area of responsibility.
3. **Identify concerns for terrorist-related threats or acts against FEMA Region 6 throughout the area of responsibility; ensure proper reporting of suspicious activities.**

FEMA REGION 6 RRCC REGIONAL SUPPORT PLAN (RSP)

RRCC SUPPORT OBJECTIVES

1. **Confirm with Texas JFO, all functions or tasks reflected in the Transition Checklist can be transitioned from the FEMA Region 6 RRCC to the Texas JFO (for FEMA-4332-DR-TX), effective 1600 CDT, 8 Sept.**
 - Follow-up Transition Call schedule to occur at 1000 CDT 8 Sept.
 - **DRA guidance FEMA Region 6 RRCC:** Continue to track Responder Support Camp (RSC) and Lodging availability; assess readiness/health of RRCS for recall; and, follow-up to ensure task completion.
2. **Support resource/commodity adjudication and posturing to support both *Hurricane Harvey* and *Hurricane Irma* disaster operations.**
 - Coordinate with NRCC to execute fixed-wing support for **Air Bridge to move 1 mil meals out of ISB Randolph AFB to Puerto Rico (PR)** on or about 8 Sept depending on receiving PR airfield status (FEMA Region 6 to Region 2 support).
 - As requested by Texas, **reconsolidate resources/commodities at federal ISBs by limiting federal footprint at joint FSA/RSAs.**
 - Coordinate with NRCC to **terminate national *push* of commodities into FEMA Region 6 area of responsibility** and evaluate release of commodities to support Hurricane Irma disaster operations.
 - Support Texas JFO request for inspection to **assess if Disaster Recovery Center (DRC) can be established to service the Dallas Mega Shelter**; accomplished 7 Sept.
 - Identify/recruit qualified state government employees (in non-impacted states) to supplement federal support roles in disaster operations under FEMA contract through an **intergovernmental service agreement.**
 - **Redeploy contingent IMAT-3 to FEMA Region 6 headquarters** from Louisiana SEOC on or about 11 Sept.
3. **Continue to maintain Situational Awareness of *Hurricane Irma* for any potential impacts to FEMA Region 6 area of responsibility.**
 - Contingent IMAT-3 coordinate with Louisiana SEOC to confirm what resources/commodities can be released/retrograded to support disaster operations in other areas.
 - FEMA Region 6 Private Sector Liaison continue to coordinate with the National Business Emergency Operations Center (NBEOC) until function or tasks is transitioned to Texas JFO.
 - NBEOC Operations Dashboard: <https://fema.connectsolutions.com/nbeochurricaneirma/>
4. **All staff conduct After Action Review (AAR) with FEMA Region 6 RRCC Lessons Learned staff prior to demobilization.**
